

Sinclair intends to broadcast blatant propaganda in violation of its public trust.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy. Consolidation of Media ownership restricts access to the marketplace of ideas.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. Thank you.
